Living safely with lead Newsletter

Dr Mark Little Returns to Mount Isa

The Living with Lead Alliance are pleased to have Dr Mark Little back in Mount Isa to deliver seminars on Living safely with lead to the community.

**Friday 31st July 2015.
Terrace Gardens, Duchess Road, 3.30pm**

These seminars will be delivered by Dr Mark Little leading toxicologist and emergency physician covering topics on living safely with lead, including

- The toxic effects of lead in children aged 0 to 5 years of age
- Lead and pregnancy
- Blood lead testing
- How to reduce the risk of elevated blood lead levels in children

It is essential that all Mount Isa residents are informed of the issue of living with lead in the Mount Isa community.

The Living with Lead Alliance is committed in delivering information to parents and carers on how you can reduce the possible risk of elevated blood lead levels in your family and especially young children.

This FREE seminar will give you all the information you need to ensure that your children have a safe and healthy environment to grow and play in and Dr Mark Little will be available to answer your questions and concerns.
