Living safely with lead Newsletter

How much do you know about lead?

Do you want to know more?

Dr Mark Little returns to the Mount Isa Health Expo

The Lead Alliance are pleased to have Dr Mark Little back in Mount Isa to deliver information on living safely with lead. Dr Little leading toxicologist and emergency physician, will be covering topics we all should be aware of when living in a lead environment, including:

- how lead enters the body.
- how you can reduce exposure to lead in your home.
- how you can reduce the risk of lead absorption in your body.
- how you can reduce lead absorption to your unborn baby.
- what foods will help reduce the amount of lead your body absorbs.
- how you can make sure your children have a lead safe garden to play in.
