

Living with Lead Alliance

Living safely with Lead Newsletter

Living with Lead Alliance looking forward to 2013

The Living with Lead Alliance welcomes you to 2013.

As part of our commitment to ensure that the Mount Isa residents are delivered up to date and accurate information on living safely with lead we have a great year planned, here are some events that you can look forward to throughout 2013;

The Alliance will be available at the following community events with information and giveaways:

- Welcome Babies Day
- Closing the Gap Health Fun Day
- Centacare Mega Playgroup
- Mount Isa Mining Expo
- Mount Isa Show
- Mount Isa Mardi Gras

Keep an eye out in your mail box for a Resident Letter full of information on our programs. We are extremely excited to have produced a Squeaky Song sung by no other than local radio presenter Deadly Jacob from MOBFM which will be included on a CD in your letter.

Dr Mark Little will be presenting living safely with lead seminars to the Mount Isa community again this year Wednesday 15th May 3pm to 5.30pm at Terrace Gardens, Duchess Road. Dr Little will be available to answer any questions you may have on reducing the potential risk of exposure to lead. The Alliance encourage all Mount Isa residents to attend this free seminar to ensure you are kept up to date on available information.

The Alliance will be announcing Stage two of the Backyard Improvement Program in 2013.

Jump onto to our New Look Website for up to date information on upcoming events and programs www.livingwithlead.com.au or **FREE CALL 1800 457 547**
