

Living with Lead Alliance

Living safely with lead Newsletter

How much do you know about lead?

The Living with Lead Alliance are pleased to have Dr Mark Little back in Mount Isa to deliver seminars on Living safely with lead to the community.

**3pm Friday 31st July 2015.
Terrace Gardens, Duchess Road**

These seminars will be delivered by Dr Mark Little leading toxicologist and emergency physician covering topics on living safely with lead, including

- How does lead enter the body?
- Healthy Home—how can I reduce exposure to lead in my home?
- Healthy Body—how can I reduce the risk of lead absorption
- Healthy Pregnancy— how can I reduce lead absorption to my unborn baby?
- Healthy Eating—what foods will help reduce the risk of high blood lead levels in my children?
- Healthy Backyard—how can I make my garden safe for my children to play?

It is essential that all Mount Isa residents are informed of the issue of living with lead in the Mount Isa community.

The Living with Lead Alliance is committed in delivering information to parents and carers on how you can reduce the possible risk of elevated blood lead levels in babies and young children.

This FREE seminar will give you all the information you need to ensure that your children have a safe and healthy environment to grow and play in and Dr Mark Little will be available to answer your questions and concerns.

ALL WELCOME
